Our mission is to empower the patient and affect positive change in everything we do. We’re motivated by the idea that at our most vulnerable, we have a unique opportunity to grow as individuals. To embrace the struggle and become stronger in body, stronger in mind, stronger in spirit.

We are rooted in the idea that our actions, both in terms of what we produce and how we engage with others, should have a net positive impact on our community, our society, and the planet we inhabit.

**We’re looking for candidates that...**

- are motivated to take part in the building of an organization and creating an awesome place to work.
- espouse strong business ethics as a result of intense introspection and are capable of thoroughly explaining those beliefs.
- are motivated to learn.
- are capable of handling the uncertainty that accompanies a new business venture.
- *want to want* to go to work every day. You should like having fun. You should have a sense of humor.

**Description**

For ten weeks, you will have the responsibility and power of a chief marketing officer. Get ready to jump in!

Leading from a place of understanding, you will get to know various members of the resilience gives community both in person and online, and will be responsible for growing community engagement through digital and physical efforts. You will evaluate and develop brand messaging across mediums to reflect the stories of our members. We expect you to have excellent communication skills, both written and verbal, and to be up to date with the latest social media trends.

**Responsibilities**

- Engaging in person and online with community members
- Written and visual storytelling
- Engaging patient-support networks
- Frequent posts and audience engagement across these platforms: Facebook, Instagram, Twitter, Email Marketing
- Reporting on success metrics

**Details**

- 10 Weeks | Flexible Start/End Dates
- Work remotely or at HQ: 500 West 5th Street, STE 400 Winston-Salem, NC

Due to the high number of submissions we may not be able to personally respond to each application. Apply by sending in your resume and cover letter to us: careers@resilience.gives
